Grand opening celebration for the new Hollypark National Paint Store at 20368 Hawthorne Ave. has been scheduled for this week end, it was announced here yesterday by Irv and Harry Berren, brothers and owners of the firm.

The store has been opened here to keep pace with the challenge of being the fastest growing paint and wall paper store in the Southwest area of the county.

FUTURE expansion plans of the firm call for the company to open one new store in Southern California each year for the next 10 years.

In addition to the new Hawthorne Ave. store, Hollypark National stores are located at 1641 Carbillio in downtown Torrance and at 15306 Crenshaw Blvd.

IRV BERREN

The Berren brothers claim to be the originators of credit buying in the paint business, and offer 1500 paint colors, 500 wallpaper patterns, and a complete line of draperies in their large decorating center.

IN ADDITION to paint and decorating materials, the store will feature a complete line of hardware items, ladders, screen doors, window screens, and

hundreds of items for household "do-it-yourself" work. Ample, paved parking will be provided at the new store, and its easy accessibility from all parts of the Greater Torrance area on Hawthorne Ave. will make the store a popular shopping center for area householders.

Local Church to Air Services Next Sunday

North Redondo Methodist Church, Felton Lane and Nelson, will be featured on next Sunday's regular telecast of Great Churches of the Golden West (KTTV Channel 11) at 11 a.m. The Rev. Harold Carlson will officiate at the morning worship service, taking as his sermon topic, "Dreams, Decisions, and Destiny."
